WALKING the Town for Youth!

A BIG thank you to the many youth and volunteers that came out to walk the streets of Franklin and support Youth Connections at the Johnson County Parade on Saturday July the 14th! Together we distributed Safe Place educational cards to youth and parents regarding services for youth in crisis in Johnson & Morgan County.

The Healing Begins...

"I learned to have better communication skills with my ex.

To stay focused on what is best for our child.

How to talk to our son about his anger with the divorce."
